About Me

Strategic digital marketing leader with 12+ years of proven success in agency, consulting and hospitality sector. Expert in designing high-performance, data-driven strategies that accelerate bookings, conversions, and lead generation. Known for building strong brand equity and delivering measurable ROI through innovative, omnichannel campaigns.

Organizational Experience

Capella Hotels & Resorts, Bangkok

(Dec 2023 – Present)

Digital Marketing Manager

Roles & Responsibilities

- Managed a **\$35,000+** monthly digital marketing budget, optimizing spend across Google Ads, Meta, and programmatic channels to drive **10%-15%** improvement in ROAS.
- Collaborated closely with the Revenue team to provide **geo-level performance insights** (top source markets, demand patterns, audience segments), enhancing targeting efficiency and driving stronger campaign performance
- Conducted regular performance reviews with agency partners, identifying scaling opportunities and underperforming areas, resulting in consistent month-on-month campaign performance growth.
- Optimized full-funnel campaigns (**Search, Display, PMAX, YouTube, Meta**), contributing to a significant uplift in direct bookings and reduced reliance on OTA channels.
- Enhanced OTA listings, ensuring accurate and updated content while fostering partnerships with OTA market managers to drive revenue.
- Led social media advertising on **Meta & IG** for Capella Bangkok and F&B outlets, aligning with business goals.
- Monitored and optimized **Expedia Travel Ads**, ensuring ad copies are updated in multiple languages.
- Measured and reported digital marketing performance using **GA4** tracking key KPIs to assess effectiveness

Capgemini India, Gurugram

(Jan 2022 – Present)

Team Manager – Digital Media

Lead performance marketing strategy and execution for global enterprise campaigns, acting as the India POC for international digital media delivery (MACS).

Roles & Responsibilities: -

- Managed over **€100,000 media budget for Capgemini Romania**, UK & Germany executing LinkedIn Lead Generation campaigns that delivered qualified leads at **< €150 CPL**, outperforming benchmarked acquisition costs.
- Executed lead generation programs for **Capgemini UK**, achieving **~\$90 CPL** through audience refinement, creative testing, and bid optimization.
- Lead and mentor a team of 5 specialists across paid media planning, execution, and reporting.
- Own full-funnel campaign lifecycle including strategy, copy direction, targeting architecture, and performance optimization
- Manage and optimize Google Ads campaigns (Search, Display, YouTube) to maximize ROI, ensuring strict adherence to budgets and KPIs.
- Utilize GA4 to analyze user behavior, funnel performance, and channel attribution—translating data into actionable insights for continuous optimization.
- Work closely with web development teams to enhance landing page UX, CRO, and tracking implementation.
- Mentor and guide junior team members, ensuring high-quality campaign planning and measurement standards.

Watermark Marketing Management, Dubai

(July 2020 – July 2021)

Digital Marketing Manager

Roles & Responsibilities: -

- Created and executed **multi-channel digital strategies** across Google Ads, Meta Ads, SEO, remarketing, and EDMs for diverse clients.
- Owned campaign lifecycle including **strategy, budget planning, optimization, and reporting.**
- Conducted **CRO analysis**, implemented A/B testing frameworks, and improved website conversion paths using Google Analytics
- Managed social ads across major platforms, optimizing for cost efficiency and ROAS.
- Developed digital media strategy including Google AdWords, remarketing, SEO, EDMs, website developments, and updates
