PROFESSIONAL EXPERIENCE

Freelance Digital Marketing Consultant Capella Hotels & Resorts, Bangkok	<i>Dec 2023 – Present</i>
- Managed a \$35,000+ (~€32,000+) monthly digital marketing budget as an external consultant, optimizing spend across Google Ads, Meta, and programmatic channels to drive 10%–15% improvement in ROAS. - Collaborated closely with the Revenue team to provide geo-level performance insights (top source markets, demand patterns, audience segments), enhancing targeting efficiency and driving stronger campaign performance. - Conducted regular performance reviews with agency partners, identifying scaling opportunities and underperforming areas, resulting in consistent month-on-month campaign performance growth. - Optimized full-funnel campaigns (Search, Display, PMax, YouTube, Meta), contributing to a significant uplift in direct bookings and reduced reliance on OTA channels. - Enhanced OTA listings, ensuring accurate and updated content while fostering partnerships with OTA market managers to drive revenue. - Led social media advertising on Meta & IG for Capella Bangkok and F&B outlets, aligning with business goals. - Monitored and optimized Expedia Travel Ads, ensuring ad copies are updated in multiple languages. - Measured and reported digital marketing performance using GA4, tracking key KPIs to assess effectiveness.	
Team Manager (People & Delivery Lead) Capgemini India, Gurugram	<i>Jan 2022 – Present</i>
- Act as India POC for global media strategy & planning delivery (MACS), building objective-led media plans and KPI/measurement frameworks for Capgemini Romania, UK, and Germany — overseeing €500,000+ in annual media budget, with over €2 million in cumulative spend managed since 2022. - Define measurement approach and attribution modeling across LinkedIn Lead Generation and Google Ads (Search, Display, YouTube), using GA4 to evaluate cross-channel media effectiveness and funnel performance. - Own tagging and tracking foundations — configure and manage Google Tag Manager and Campaign Manager 360 in partnership with web development teams to ensure accurate conversion tracking and clean data flow into reporting dashboards. - Drive regular performance reviews with UK, Germany, and Romania stakeholders, translating attribution and campaign data into optimization recommendations — delivered qualified leads at <€150 CPL (Romania) and ~\$90 CPL (UK), outperforming benchmarked acquisition costs.	

- Lead and mentor a team of 5 specialists across paid media planning, execution, and reporting, ensuring consistency in how performance is measured and reported across campaigns.

Digital Marketing Manager | Watermark Marketing Management, Dubai

Jul 2020 – Jul 2021

- Designed multi-channel digital strategies across a diverse client portfolio, defining the channel mix (Google Ads, Meta Ads, SEO, remarketing, EDM) per client objective rather than executing a single fixed playbook.
- Owned the full campaign lifecycle end-to-end — strategy, budget planning, optimization, and reporting — holding direct accountability for performance outcomes across accounts.
- Conducted CRO analysis and implemented structured A/B testing frameworks using Google Analytics to identify friction points and improve website conversion paths.
- Managed paid social campaigns across major platforms with a focus on cost efficiency and ROAS, adjusting targeting and budget allocation based on performance data.
- Operated in an agency environment across varied business types, building strategic media plans from the ground up for each new client rather than optimizing pre-existing campaigns.

E-Commerce Specialist | Grand Millennium Al Wahda Hotel, Abu Dhabi

Aug 2018 – Jul 2020

- Owned digital media strategy end-to-end for a single revenue-driving property — spanning Google Ads (including remarketing), SEO, EDM, and website updates — combining strategic planning with hands-on execution in a lean, client-side team.
- Evaluated brand website performance and UX, delivering recommendations to strengthen the hotel's web presence and improve its competitiveness against OTA channels (Booking.com, Expedia).
- Executed paid campaigns across Facebook, Instagram, LinkedIn, Twitter, and YouTube aimed at driving direct bookings, leads, and engagement in a highly competitive hospitality market.
- Built e-commerce and revenue-focused digital marketing experience distinct from lead-gen models — directly tying campaign performance to tangible booking revenue.

Social Media Community Manager | Sapient Razorfish, India

Jun 2017 – Aug 2018

- Led social media strategy, campaign management, and analytics across client accounts, contributing to the agency's broader digital marketing service delivery.
- Executed and managed paid social campaigns across Facebook, Twitter, Instagram, and YouTube, extending organic social efforts into paid digital advertising.
- Broadened the paid media mix beyond social by planning and executing campaigns on Search and Display Networks.
- Tracked and reported website activity using Google Analytics, building an early foundation in digital analytics and performance measurement.

Social Media Community Manager | Sprinklr Solutions, India

Jun 2015 – Jun 2017

- Developed and managed promotions and paid social campaigns across Facebook, Twitter, Instagram, and YouTube, building foundational digital and social media marketing execution skills.
- Conducted extensive audience research to build client social audience profile databases, informing targeting and campaign planning.
- Prepared and analyzed weekly performance reports on the Sprinklr platform, translating social data into measurable campaign impact for clients — an early grounding in data-driven digital marketing reporting.

Business Development Executive | Strategic Outsourcing Services, India

Feb 2014 – Jun 2015

- Generated leads for new business development through targeted outreach, building early experience in audience identification and engagement.
- Identified and engaged key decision-makers across industries via LinkedIn, developing foundational digital and social networking skills that carried into later digital marketing roles.
